Harbor Springs, Michigan

RAMPAGE

Dedication

Miss Corey

Mr. Baker

Our school accomplished much because of the good teacher - student relationship.

Two teachers especially stand out in our memories. As senior class sponsors they were ever ready to lead and to help the class in any of its activities. Their many abilities and ever present smiles have greatly aided us. They are two who will not soon be forgotten.

We take great pleasure in dedicating this annual to those who have filled the roles of advisor, instructor, and friend; Miss Lois Jane Corey and Mr. William Baker.

In Memoriam

We, the senior class of nineteen-hundred and fifty-five, wish to pay tribute in this, our annual, to the memory of Shirley Clancy, who has gone to a far better life than we have ever known. She had a pleasant personality and was a friend of all.

She was here among us one day,
To school with us she trod;
Then a voice called softly to her,
And she went to meet her God.

Echoes Of School

by

ELIZABETH BALLOU

Echoes of feet down the silent hall.
Faded voices from behind closed doors.
Dimly lit pictures hanging on the wall.
Occasional papers strewn on the floors.

Echoes of voices from across the room.
Remembrance of the teacher's loud call.
A janitor treads silently swinging a broom.
Odors of lunch come floating past all.

Echoes of school bells ringing clear,
The shuffling of feet hurrying to class,
Late ones coming quietly with fear
Of being sent to the office for a pass.

Echoes of scores of games we've won.
Thinking of projects to make money real fast.
The senior trip with all of its fun.
Commencement, meaning school days are past.

Echoes that are firmly fixed in my mind,
Down through the years they will roll.
Thinking them over, new truths I find,
Leaving memories to linger in my soul.

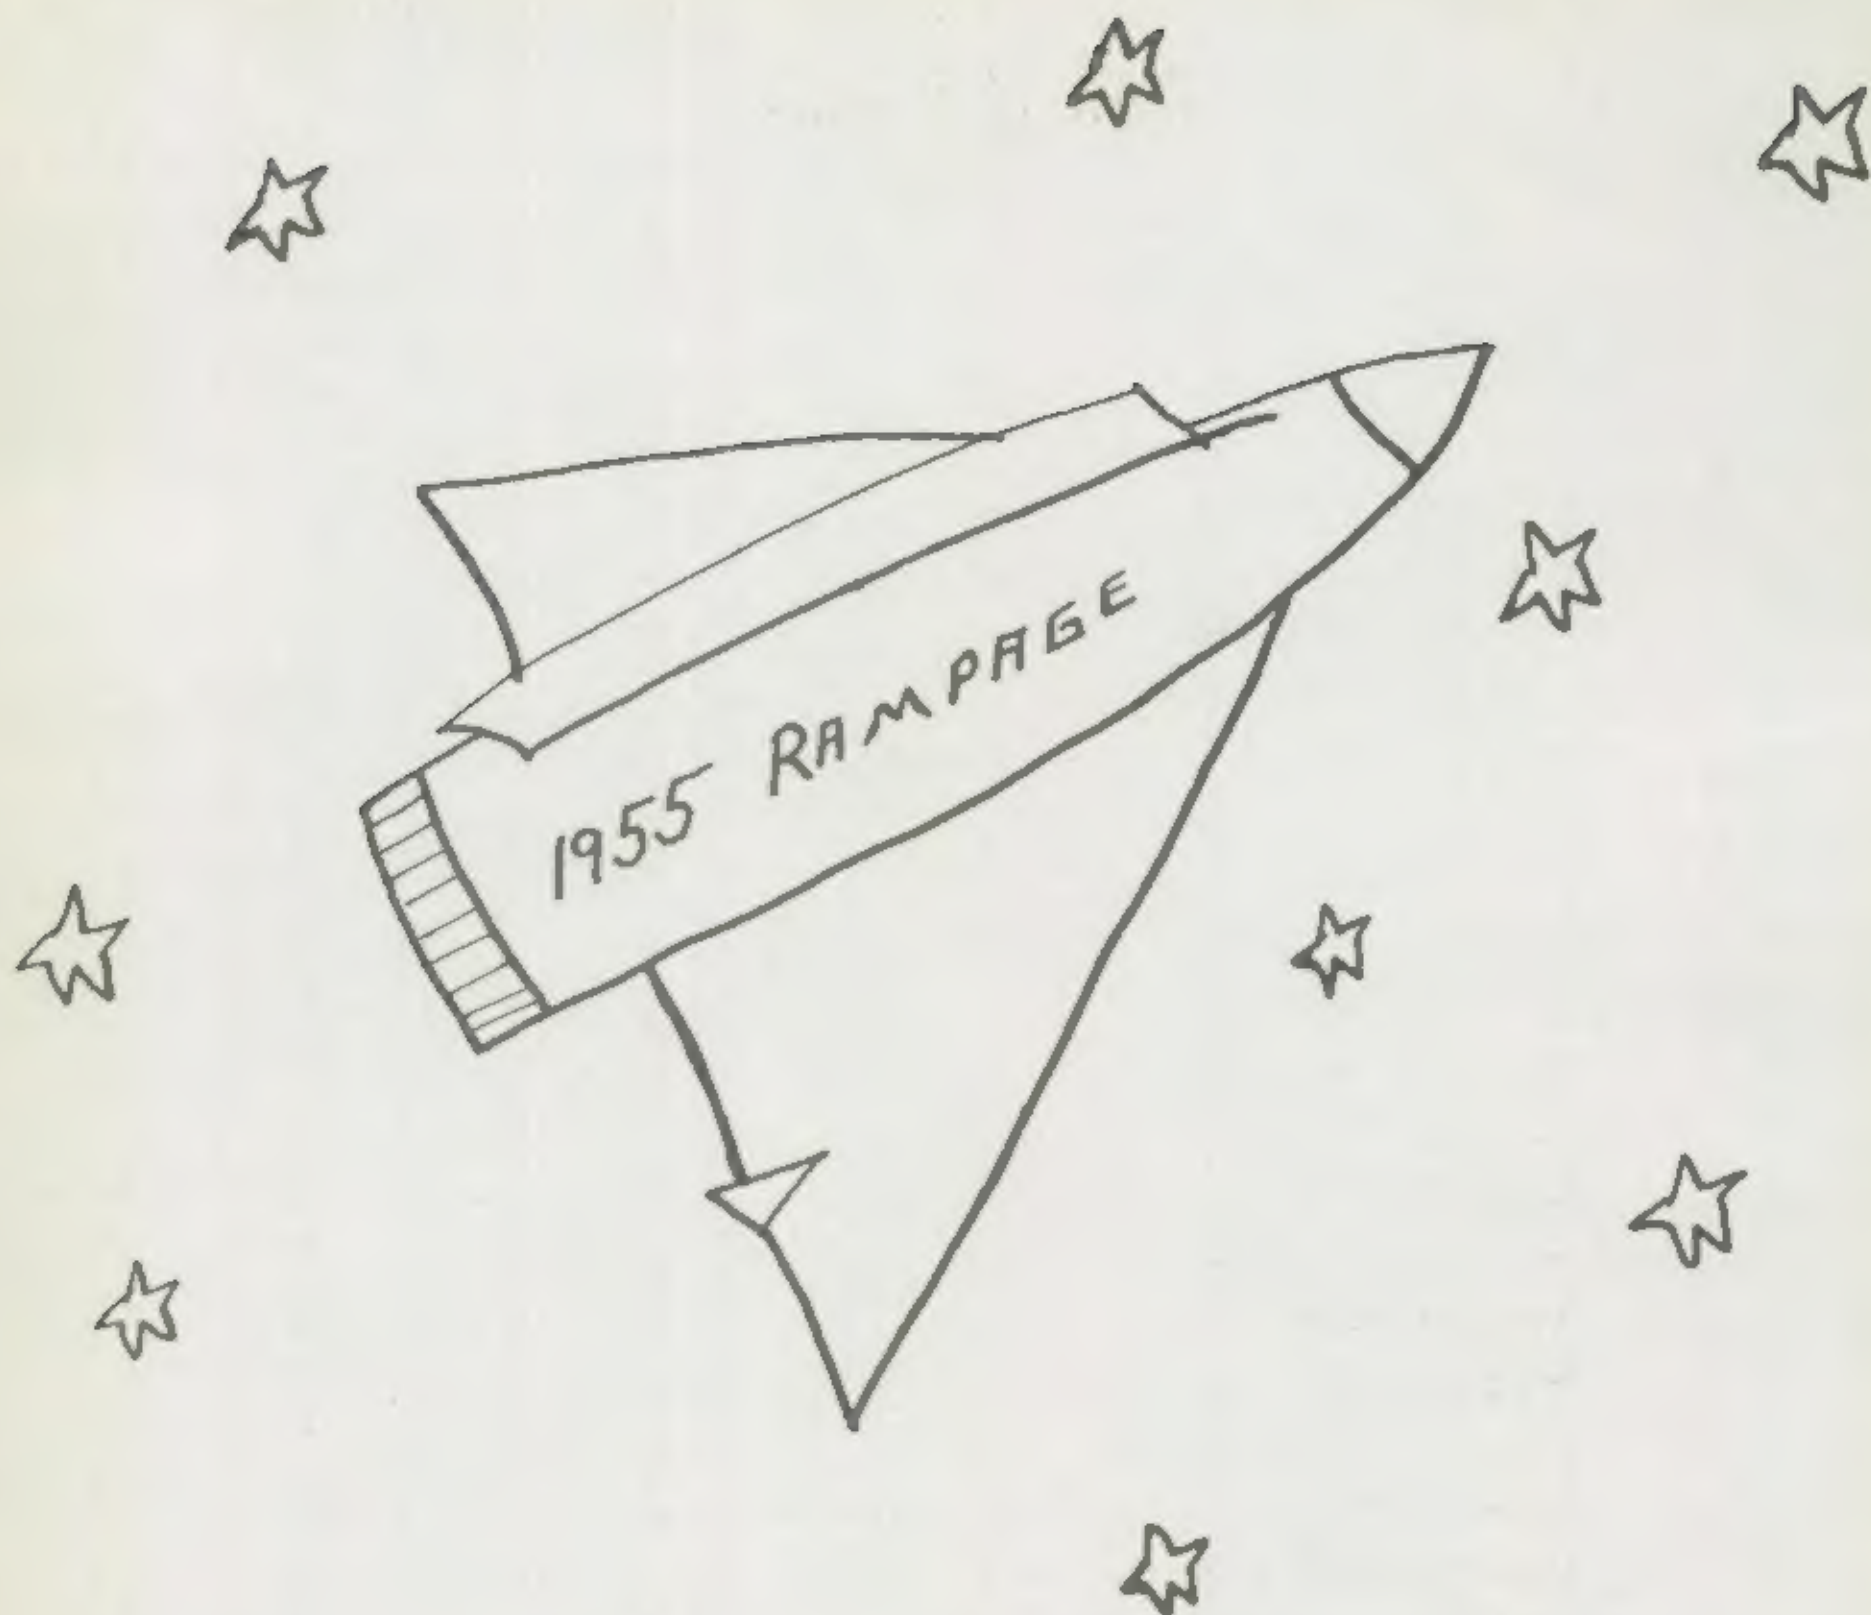

School, Precious Years

by

Janet Terry

School years, I know now what they are,
The years, that through the years I wished were not.
Those years were to keep the fear from years afar.
Now I know what those years have taught.

If I could have only known in the start
What in the end would be in my heart,
The first of life would have been a strife
To make the best of the life that is so near to me.

Introduction To Theme

Our high school is situated in the scenic Northland. Harbor Springs is in a land of spectacular sunsets, the Northern Lights, and a starlit sky. Inspired by the beauty of the sky, we have centered the theme of this book around it.

Traveling in the Rocket Ship of 1955, our classes are represented by stars. Of course the thing that every star looks forward to is reaching the moon, where the senior class lives. The biggest influence in our journey through space has been the Sun. The Sun, which represents our faculty, has been a shining light reflecting its knowledge upon us. Other constellations that contribute a great deal to our school life are Orion (Athletics) and Gemini (Activities and Clubs).

The members of the yearbook staff sincerely hope that you will enjoy this flight on our Rocket Ship as much as we have enjoyed planning it for you.

Senior Class

Having reached the moon, the seniors were at the height of their high school career. They flew about in space selling refreshments at the Petoskey St. Francis football game. Then they grounded long enough to pick up potatoes at Mr. Heynig's farm.

The annual Senior Carnival was held on November 20th after many weeks of planning booths and assembling prizes.

During the school year the seniors sponsored several doughnut sales and one bread sale. They also sold stationery, Christmas cards, and bracelets. The seniors spent many hours planning and successfully carrying out a talent show which was presented on February 5. They sold refreshments at basketball games and during class tournaments.

On February 28 the seniors marched into the classrooms to take the place of the teachers. This was the first experiment of this type in our high school. It worked very well.

This spring many husky and willing seniors spent two weeks helping the townspeople with their spring clean-up. They hauled junk, raked lawns, painted, washed cars and windows, delivered paint ads in the rain, and did many other odd jobs.

On May 18th they boarded a bus for the first lap in their journey to Radio City Music Hall, the Empire State Building, and other points of interest, New York. They had a marvelous time visiting the United Nations Building,

On class night they went through the usual antics and enjoyed the last real party of their senior year.

Baccalaureate services were held in the High School Stadium on May 29th. On June 2nd the seniors proudly ended their high school career with graduation exercises.

Senior Play

SEVENTEEN IS AWFULLY YOUNG was the title of the annual senior play which the class of 1955 presented at the high school on December 7 and 8.

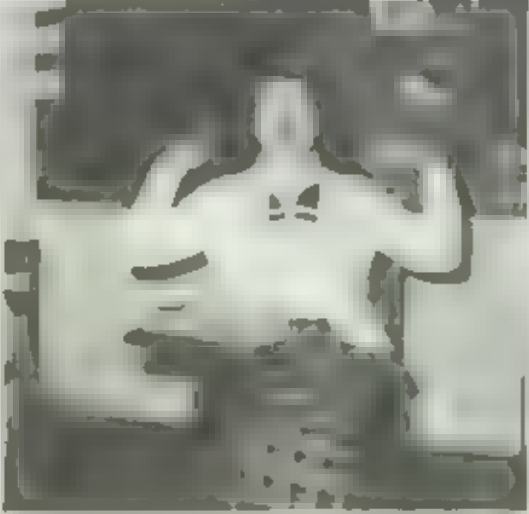

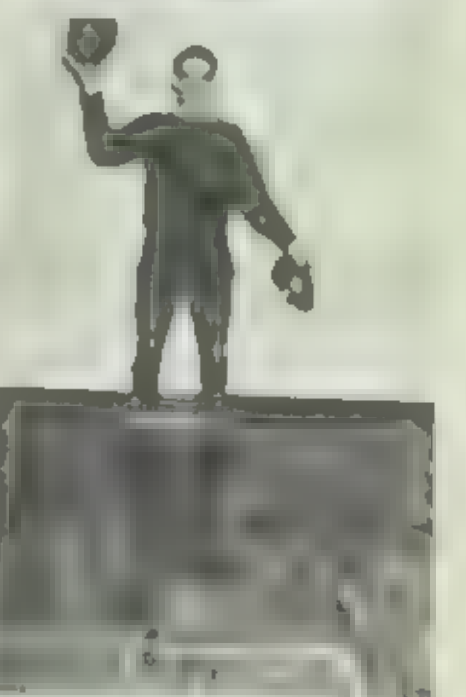

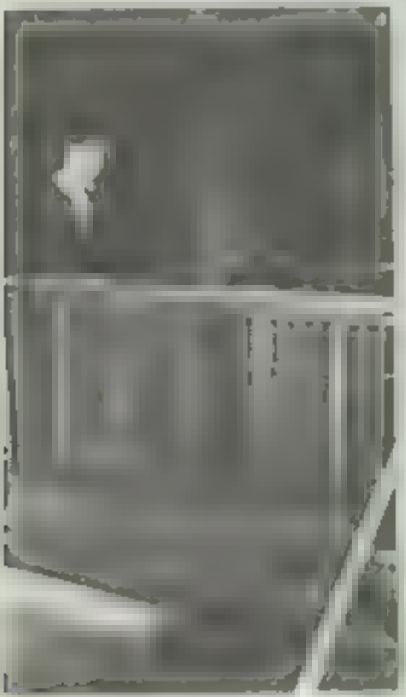

Directed by Mrs. Joseph Jezisek, the play was the story of two sisters who moved to a new town, and how they adjusted to their new surroundings. Nicki, a shy type, played by Viola Martin, overcame her dilemma and suddenly became very popular with the young men of the new city.

Carole Kaniarz played Nicki's pampered sister, and her mother was portrayed by Kenda Shinn. The strange young men who were so important in the lives of the newcomers were played by Tom Clarke, Bill Meyer, Jack Myers, and Robert Keller.

Others with prominent parts were James Wightman, Joyce Sterly, Mary Lowry, Evelyn Smith, and Rae Jean Cetas.

Prophecy

While driving along Highway 131 in June 1970 we were stopped by state policeman, ALTON RADLE. We asked him if he knew where any of his classmates were. He told us that BOB KELLER had a television shop in Lansing, so we stopped to see him. GENE SEELEY was right across the street. He is the owner of the Lansing Gazette. Gene gets all the news. We found out that VERONICA KISHIGO is a history professor at the University of Michigan. CAROLE KANIARZ is the governor's private secretary at the state capitol (not far from the Gazette office), and KENDA SHINN is a private typist for the governor, with Bible classes on the side. PAT HEYNIG goes from home to home, demonstrating how to sew on buttons. KATHLEEN JOHNSTON is the first lady's personal fashion designer. ANITA PONTIUS is Dean of Women at an exclusive girls' college in Grosse Pointe. JACK MYERS and GARY SWISS own an exclusive Meat Market in Chicago. (If you buy Swiss Myers Meal, you have the best.) MARY LOWRY is their special company nurse.

As we continued on our way we chanced upon a terrible wreck. RODNEY PONTIUS had been hot-rodding again. We hurried to the nearest home to report it. There we found the former PAT ALDRICH, now Mrs. Gordon Beckon, and her twelve little Beckons. We picked up the phone and heard the familiar voice of JANET TERRY, chief operator. We asked her if she could meet us, but she had to meet VIRGINIA LAUBRICH and the other telephone operators for tea. We hung up and talked with Pat for awhile. She told us that JOYCE STERLY is her oldest daughter's commercial teacher and that her sister-in-law, RAE JEAN (CETAS) BECKON, is happily married and is living on a farm at Cross Village with George and their two children.

We went to the hospital to see how Rodney was and found registered nurses SARAH KING and DORA PETERSON caring for him.

Upon hearing that a new bridge was being built across the Atlantic Ocean, we decided to go and see it. We found that BOB LUETTJOHANN and JIM WIGHTMAN were the chief engineers of the project. They explained that they were building it to make it easier for ELIZABETH BALLOU and VIOLA MARTIN, who are missionaries in Africa, to get home on leave. They also informed us of ED MOSER'S decision to make a career of the Navy.

We decided to return to Harbor Springs, and found that BILL MEYER has taken over the local butcher shop. His wife, the former EVELYN SMITH, is the town's chief bottle washer.

TOM CLARKE, who was class president during our high school days, is now President of the United States.

Junior Class

The juniors were very successful in their space travels this year. They sponsored a donkey softball game during the summer. Their fall projects included a cider and doughnut sale on October 2, and sold refreshments at the Charlevoix football game. On October 23, the juniors sponsored the annual Sadie Hawkins dance.

During the winter they sold at the Charlevoix and Pellston basketball games and sponsored several bake sales.

Their very successful play, **Teen Time**, a three-act comedy, was presented on April 1 and 2. The stars sparkled to light our annual J-HOP, which was held on April 30.

To end their activities for the year, the juniors entertained the seniors at the Junior-Senior Banquet on May 14.

Junior Play

The junior play **Teen Time**, was presented on April 1 and 2. It was a three-act comedy written by Anne Coulter Martens, and directed by Mrs. Jezisek.

Wendy Meade (Sue Winegarden), while trying to act sophisticated, was also trying to figure out a way to get another lease from Mrs. Nash (Mary Lou Johnston) on their Teen Haven. Mr. Meade (Tor Larsen) was also trying to get a contract from Mrs. Nash. Mrs. Nash believed that teen-agers were all juvenile delinquents and Tim (Teddy Spinn) Wendy's boy friend, and his friend Darby (Norm Pemberton), didn't help the situation by organizing a parade which came through the Meade living room just as Mrs. Nash was being served tea.

Mrs. Nash detested the color green, so when Babe Wendy's kid sister (Patty Wightman) showed up in a green devil costume Mrs. Nash fainted. After a rumor was circulated that the Meades were bankrupt, the Meades' friends gave them food and Wendy's girl friend, Marrita (Mary Jane Shurtleff), offered them some of her mother's dresses. This and complications brought on by the disappearance of a power mower from Mrs. Nash's garage were straightened out. Mrs. Nash gave the teen-agers their lease, Mr. Meade his contract, and Wendy was elected teen queen.

Others in the cast were: Lynn Wells, a southern belle; Betty Ward, a favorite teacher; Maxine LaTasha, a reporter from a teen magazine; Pete Marshugh and Jon Patton, friends of Tim; Gordon Kraskie, the town cop; Kent Talcott, repair man; and Donna Jardine as Collie.

Sophomore Class

The sophomore class has just landed on Sagittarius, the half-way mark before getting to their destination, the Moon.

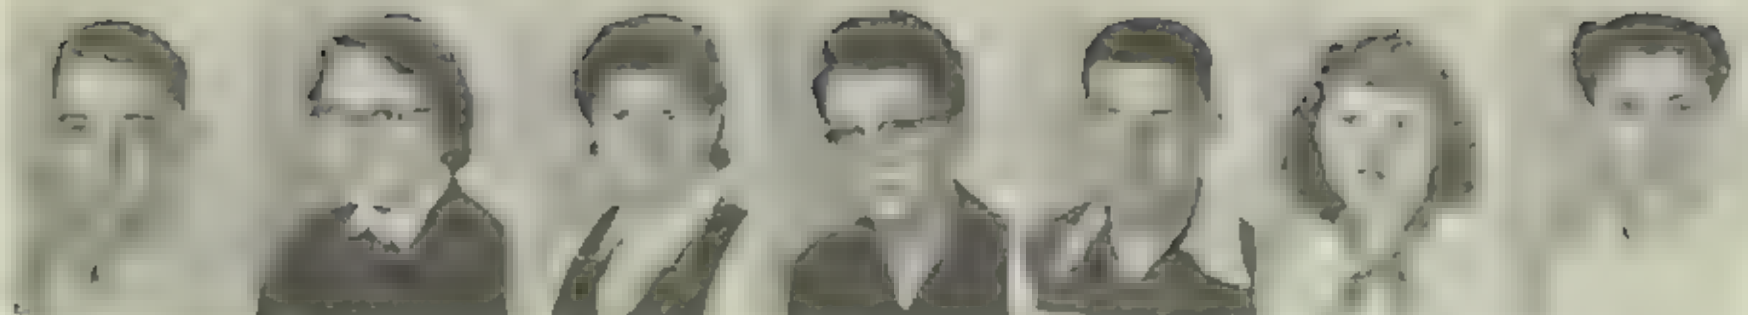

Our first money-making event was selling refreshments at the homecoming football game. During basketball season we sold refreshments at the Gaylord game.

We had a few rushed and excited evenings working on our homecoming float and won third place on it. Our candidate for the homecoming court was our girl from Earth, Deanna.

We had three successful bake sales this year on October 22, December 23, and April 8th.

At the senior carnival our booth contained a "dunk' em" board. This was one of the most popular booths there, and everyone had lots of laughs dunking Nadine, Collene, and Sharon, the visiting Mars girls.

Our last event of this school year was a Mother's Day dance on May seventh in which we honored all mothers, as well as entertaining fathers and students.

Freshman Class

The mongrels of Canis Major are still chasing their tails, trying to catch up, under the leadership of Mrs. Jezisek and Mr. Videan.

The superior specimens are Patsy Bradley as president, Donna Miller as vice-president, Margaret Cassidy as secretary, David Halter as treasurer, and Mary Belle Tippet as Student Council Representative.

The rest of "The Dogs" helped gather money by selling at various basketball and football games. The largest gains came when our elder thorough-breds bought our dog biscuits at the City Grocery. "The Dogs" class won third prize in the Homecoming Parade with their float, "Chew Em Up." For the Senior Carnival we contributed a fun house.

Student Council

We started the school year under the leadership of Mr. Hamilton, our advisor, and Bob Keller, our president. We elected Pat Heynig vice-president and Gordon Kruskie secretary-treasurer.

This year we again sponsored the homecoming game and parade on October 22. Also this year we are sponsoring the **Rampage**.

We attended inter school visitation days at Charlevoix in December, and at East Jordan on April 13. We discussed school problems and observed how some of the other schools are run.

On April 27 we sponsored a basketball game between the faculty and an all-girls' team, the All-American Red-Heads.

Rampage Staff

staff under the direction of Joyce Sterly began their on March 21 with an assembly. We had a large re- on the stage and gave the students a preview of the various parts of the yearbook, using live models.

The printing was done by the Review Printing Company. We especially wish to express our appreciation to Mr. Robert Fowler of the Review Printing Company for his help and cooperation in making our 1955 *Rampage* a success.

Y. F. A.

The Harbor Springs Young Farmers of America Club had a very good year this year. The officers are: Gordon Kruskie, president, Carl Tippet, vice president, Ed Moser, secretary, Gary Swiss, treasurer, Peter Graham, reporter, Don Lauer, sentinel.

The Ag. Club holds meetings twice a month. Some of our activities include dances and radio programs. We also attend activities of other schools.

The boys received many fine prizes for their exhibits of cattle, grain, and swine, at the Emmet County Fair. The school exhibit took second place, just missing first place by a small margin.

At the Potato and Apple Show at Petoskey we took first place in grain judging with Hazen Gregory as highest scorer and Carl Tippet and Andy Kloss second highest. We were tied with two other schools for first place in hay and silage judging. The high individual was Edward Moser, Gary Swiss, and Tony Serva. We took second place in potato judging and a third place in apples. This was our first year for judging apples.

Some of the members of the Ag. Club took a trip to Chicago during Easter vacation.

Five members of the third year agriculture class took a one day trip to East Lansing in February to attend Farmers Week at Michigan State College.

Many of our boys carry on individual projects such as raising calves, cows, or pigs. This is not only educational, but profitable.

The Ag. Club has a D.H.I.A. program. The boys belonging to this system test their neighbor's cattle as well as their own, for butterfat increases and decreases.

We also have an adult class every Monday night for parents who are interested in better farm practices.

Plans for next year's activities include a farm shop class. The farm shop is to include many facilities not only for agriculture class meetings but also for adults. We will have welding machinery, mechanical tools and a classroom for the teaching of agriculture. We will be able to bring our farm machinery in for repairs. We will also be taught different types of soils such as electricity, mechanics and decorating. The best advancement will be the change from Y. F. A. to F. F. A. The Future Farmers of America, making us better known and enabling us to be represented in different meetings and shows.

T. A. B. Club

The Teen Age Book Club is in its second year at Harbor High. Although not very large this year, it has still provided some students with good books. Some of the books which come in pocket size form with a plastic coated paper cover are Dennis the Menace, The Rat, and educational books such as cook books, vocabulary books, dictionaries, spelling books, and many others which if bought in the regular edition would cost a great deal more. Among other books we find fiction, humor, sports, adventure, romance, and romance. These books are all good books. In some cities Teen Age Book Clubs are associated with Better Book Committees to supply our young Americans of tomorrow with good reading material.

For every four books purchased by a student, he gets one free, which is called a dividend. He may make his own choice from a special list or from any of the books offered for sale that semester.

This club is sponsored by Miss Corey. Ed Moser has served as president and secretary for two years.

Band

We chose as our president Pat Heynig, who leads our band in the absence of our director, Mr. Jezisek.

Our first appearances were at the football games. One outstanding performance was at the Charlevoix game where we played and formed "Cheerleader Spotlight" to honor the dads of the players.

Next we participated in the Christmas program for the P.T.A.

Our first festival was at Traverse City where we received a third rating

The spring festival was at Charlevoix where we participated in a mass band. It is a thrilling experience to play in a band consisting of several hundred musicians.

We plan to have practice during the summer months and then give a summer concert.

Orchestra

Our only activity this year was furnishing dinner music for the football banquet.

Our director is Mr. Jezisek.

Chorus

This year Mr. Jezisek has under his direction twenty-four girls in his newly formed Girls' Glee Club.

They sang before the P.T.A. early in the year, participated in the Christmas program, took part in the World Day of Prayer Service at the Presbyterian Church; and sang again for the P.T.A. this spring.

The Glee Club was also invited to take part in the Choral Festival at Cadillac on April 30 and at Gaylord on May 7th.

The commencement exercises for the class of '55' will also be graced by the voices of the Glee Club.

Christian Youth Club

The Christian Youth Club was organized in 1933 by Richard Wagenschutz. The purpose of this club is to have a Christian club to which those who wish may go and learn more about the one and only Lord, Jesus Christ, and to keep the Christian in constant tune with him. Since last year there have been several new members that have joined the club. We feel that there should be a place where the Christians go at least once a week to help them keep thinking of what they stand for. This club is undenominational and is open to all those who wish to attend.

The officers for this year are: president, Kenda Shinn; first vice president, Virginia Rosemeier; second vice president, Elizabeth Ballou; secretary-treasurer, Grace Halter; song leader, Wilbur Wagenschutz; and pianist, Ruth Halter.

The meetings are held every Thursday at 12:15 in the band room. The club has had special speakers from various churches, games, contests, quizzes, and Scripture readings. Many new hymns were learned.

The club entered a float in the homecoming game parade this year which everyone enjoyed working on.

A Christmas party was also enjoyed by the club. For entertainment at this party we had games, a Christmas film, scripture reading, and refreshments.

Two new features were added this year: a surprise committee whose purpose was to have a surprise for the club once a month, and write-ups for the Emmet County Graphic and the Petoskey News-Review telling them what this club has been doing.

The sponsors of this club are Mrs. Kenneth Shinn and Mr. Lyle Hoover.

We hope and pray that this club will not fade away as the present members leave school, but will continue to carry out the mission that it has started and to grow for the sake of the Lord and Savior, Jesus Christ.

Pep Club

This year the Pep Club chose as officers: Mary Lowry, president; Sue Winegarden, vice-president; Nancy Peters, secretary, and Mary Jane Shurtleff, treasurer.

Our first semester projects were a magazine subscription sale, a float for Homecoming, planning pep meetings, and decorating goal posts before football games.

During basketball season, we served a light lunch to both teams after each game.

Cheerleaders

These girls form one of the biggest links in the chain that supported the Rams this year. They were always in there yelling through sunshine, cold, and rain; and they enjoyed every minute of it.

Five cheerleaders for each team were picked last fall by the teachers and two elected representatives from each high school grade. After the football season Joann Gokee was unable to continue cheering, so the varsity squad finished the year with four girls.

The senior girls, Pat Heynig and Mary Lowry, after each serving several years on cheer leading squads led their last yells at Petoskey in the tournament game with Pellston.

Homecoming

We celebrated our third annual homecoming on October 22. Presiding were Queen Kathleen Johnston and her court: Mary Lou Johnson, Deanna Bradley, Pat Johnston, and Margaret Cassidy. These girls were chosen by the football team and from them the queen was chosen by the student body.

The homecoming parade began at Zorn Park and was led by the high school band. The parade consisted of floats entered by classes, senior class, businessmen and community organizations. This was one of the biggest and best parades ever held in Harbor Springs.

Before the game the queen and her court were crowned by co-captains Tom Clarke and Ed Matthews.

The floats were judged during the first half and at the half the judges' decisions were announced. First prize was won by the juniors. Their float showed an Indian scalping a member of the opposing team.

Although we lost the game to Boyne City, our homecoming was a great success. A dance sponsored by the PTA was held in the gym following the game.

Orion (The Hunter)
(Athletics)

The athletic department is likened unto the hunter Orion in that they are seeking victory in their games.

Varsity Club

The Varsity Lettermen's Club was organized this year to encourage and promote better sportsmanship in athletics. It is also an aid in creating more school spirit and more team spirit.

It prohibits students from wearing other school colors, or letters which they have not earned by participating in a certain sport.

The club members have to be varsity letter winners.

The sponsors are Mr. Boles and Mr. Wareck. Bill Meyer is president, Gary Swiss is vice president, Gordon Kruskie is treasurer, and Tom Clarke is secretary.

Below are the members' names and the years they majored in the various sports.

H. S. 7 vs. East Jordan 31

H. S. 19 vs. Gaylord 25

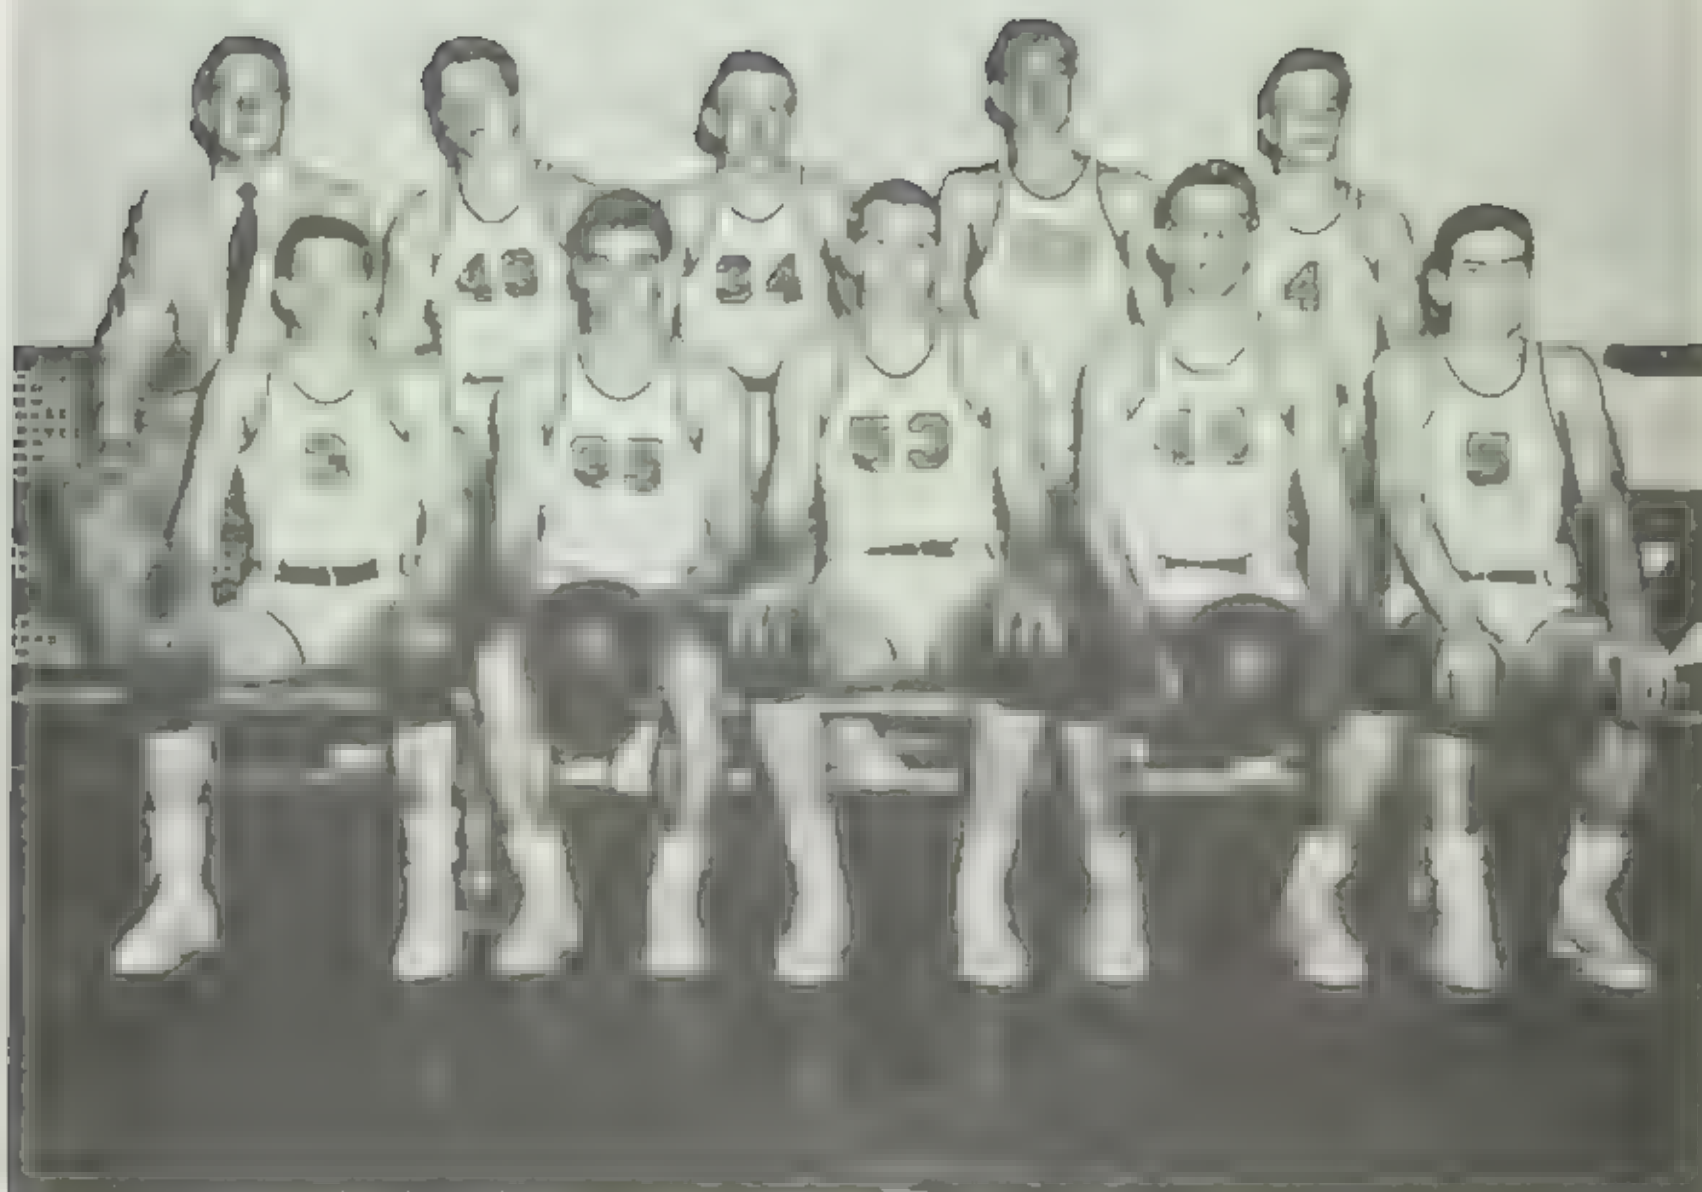

Some of the outstanding games were the Mancelona game which was a tie ball game where one break for either team would have meant a victory, and the St. Ignace game in which the Rams held a 7-0 lead until the closing minutes of the game when St. Ignace chalked up two touchdowns and an extra point to make the score 13 to 7 in their favor. Another outstanding game was with Gaylord. In this last game of the season the Rams outplayed a heavier Gaylord squad, although they were unable to outscore them. Gaylord won by one touchdown, with a score of 25 to 19.

HONORABLE MENTION

Gary Swiss was selected as guard on the second all conference team. Tom Clarke made the second all-opponent team and honorable mention for the all-conference team.

FUTURE

The Rams will begin the season next year with much experience and a great deal of fighting material in the following boys: Kent Talcott, Gordon Kruskie, Tor Larsen, Don Lauer, Joan Meyer, and many others who have picked up valuable experience this year.

TOURNAMENTS

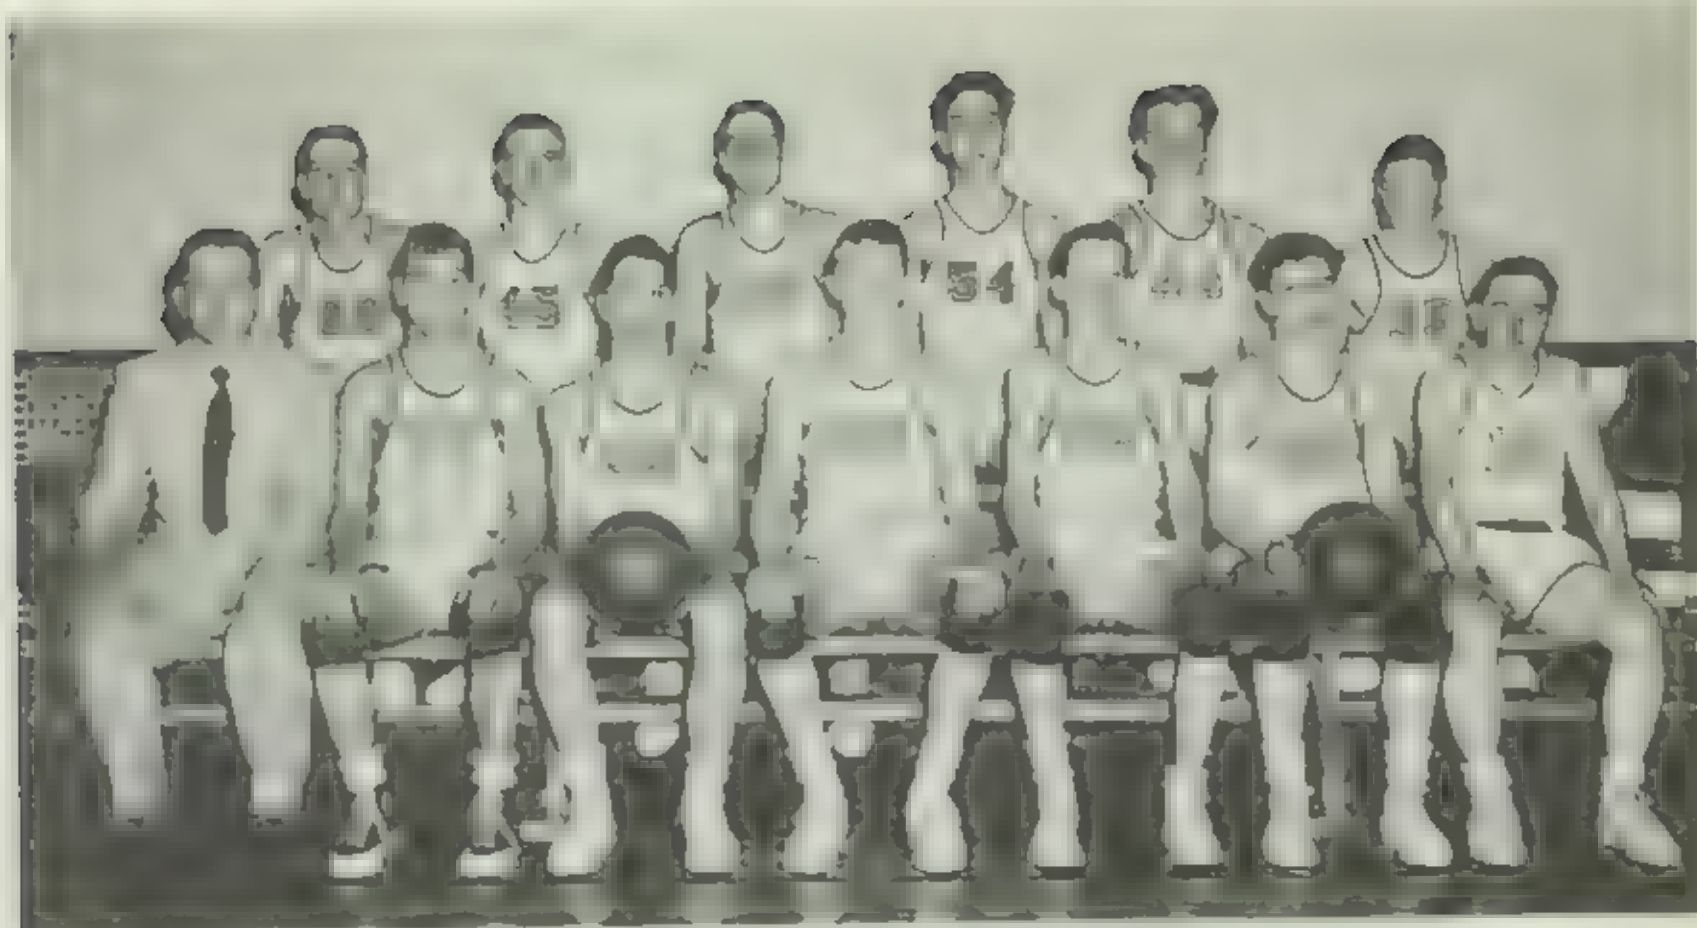

Cheboygan Catholic	63	Harbor Springs	69
Pellston	54	Harbor Springs	32

Coached by Mr. Wareck the rams began the season with only two veterans. At the beginning of the season the boys showed lack of experience but as they moved down the line they improved until they were a match for any of the teams in the conference. Although records show poor results the team showed that they could turn in as good a performance as the higher rated teams. The Rams gave the Lancers a demonstration of their ball handling skill by beating them 56-55 in a nonconference game. The Ellsworth Lancers were rated fourth in the state. Other outstanding games played by the Rams were the Boyne City game in which the Rams lost by 3 points and the Gaylord game which the Rams lost 63-62.

In the tournaments the Rams beat Cheboygan Catholic and lost to the Pellston Hornets.

The Rams will begin the season next year with the loss of only two seniors, Gary Swiss and Tom Clarke. Boys with varsity experience who will be returning are Don Lauer, Tor Larsen, Richard Clarke, Gordon Kruskie, Dick Shepherd, Dick Keller, Jerry Reinwand and Kent Talcott.

The 'B' squad, better known as the Little Rams, started the season with little experience, but as the season went on, the boys improved and won some ball games.

Coached by Mr. Wareck, the Little Rams played hard, clean ball, showing good sportsmanship throughout the season.

Composed mostly of freshmen, with some sophomores and juniors, the team had a lot of fighting material in Jerry Hoffman, Jack Myers, John Darrow, Gerry Congleton, Loren Greenier, Bill Juilleret, Jerry Pemberton, Richard Chingwa, Allan Allerdine, Dean Barnefiher, and Robert Lauer.

Some of the boys may see varsity play next year and should do very well.

Junior High Basketball

The Junior High Team, as the seventh and eighth grade boys are known, played basketball with teams from surrounding schools such as Alanson, Petoskey, Levering, Pellston, Indian River, East Jordan, and Gaylord.

Under the direction of Mr. Walker, the boys concentrated on learning the fundamentals of the game. They learned the rules, the sense of fair play, and good sportsmanship. They also got experience, which they will need before starting to play on the Junior Varsity Team.

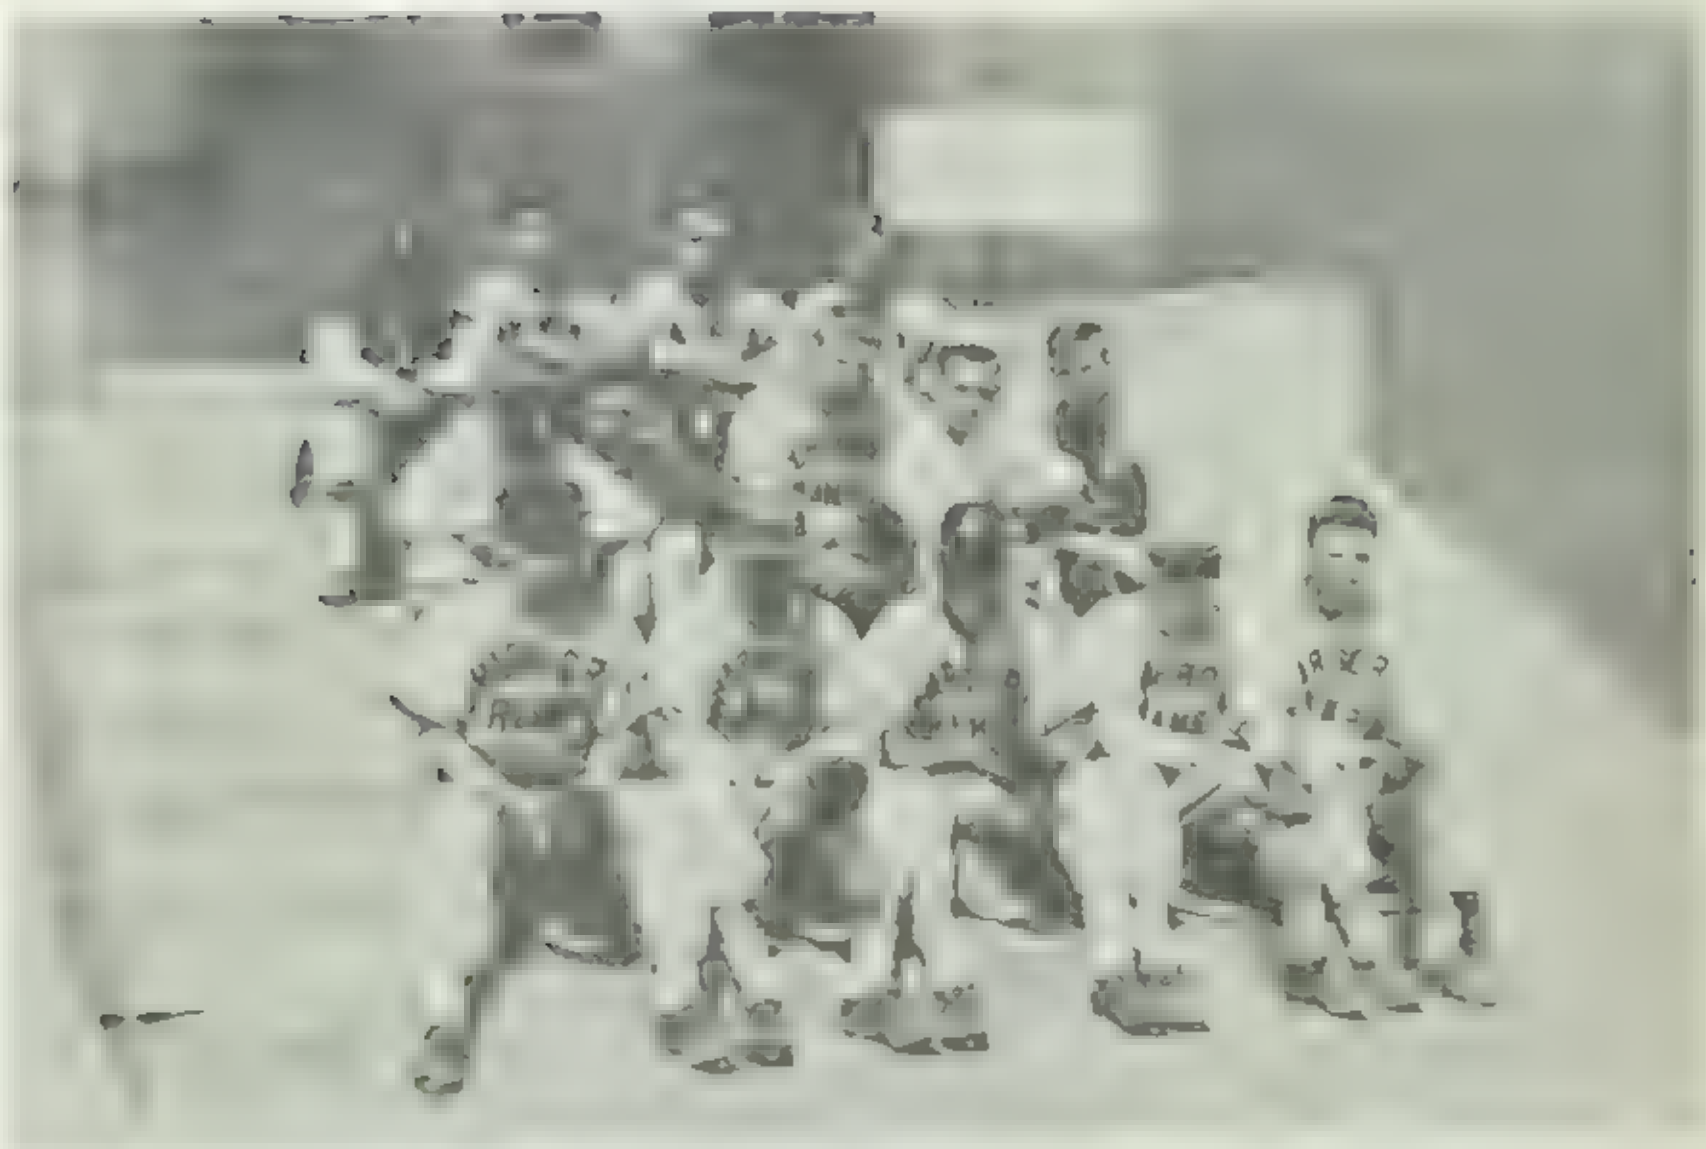

This program provides healthful activity for the boys and helps to develop them for coming years. This should mean better qualified players for high school teams.

Baseball

Baseball was started again last year at Harbor after many years of absence. The Rams baseball squad is coached by Mr. Boles. Playing baseball for the first time last year, the boys didn't win any games, but they increased their skill and will be a more experienced squad this year. Back from last year's squad of varsity lettermen are Tom Clarke and Jerry Reinwand as pitchers, Gary Swiss as shortstop, Gordon Kruskie as second baseman, Tor Larsen as first baseman, Pete Marshugh as catcher, and Gerry Congleton as a fielder. Other positions will be filled by boys winning Junior Varsity letters or by boys coming out for their first year. With all this material, the squad should have good results this season.

Track

In the past, track has been somewhat ignored. Boys interested in track could participate in the sport and could run in meets, but it lacked the proper emphasis. This year, track will be under the direction of Mr. Hamilton and Mr. Wareck. Boys will be encouraged and urged to participate in the sport.

Two lettermen returning to the squad are Kent Talcott and Gordon Kruskie.

Speed, experience, coordination, being in condition, good coaching, and wanting to be a success are all part of being a good track athlete. Much of this material will be supplied by boys who have some track experience and of some who are out for track for the first time.

A good season should be in store.

Bowling

This year bowling was introduced to the Harbor High students. Many boys and girls going out for bowling had no idea of what it was.

Being nearly all green hands, they started from scratch, and learned the rules and ways of playing. The bowling team was under the direction of Miss Nicholson. Manager at the Petoskey Bowling Alleys, Barney Adair, gave the team their instructions. Petoskey challenged Harbor Springs for a Saturday meet, which the Petoskey boys won 3-1. The Harbor Springs girls tied the Petoskey girls 2-2. This meet was held on April 2 and enjoyed by all who participated in it.
